

2025 Crime Statistics Report

Calendar Years 2023, 2024 and 2025

4322 North 5th Street | Philadelphia, PA 19140 | 215-455-2300

Annual Crime Statistics Disclosure

ASPIRA City College publishes crime statistics for its Clery geography as part of its Annual Security Report and submits required statistics to the U.S. Department of Education through the Campus Safety and Security Survey. The College does not operate on-campus student housing and reports no noncampus property for the period covered by this report.

For calendar years 2023, 2024 and 2025, ASPIRA City College identified no reportable Clery criminal offenses, hate crimes, Violence Against Women Act offenses, arrests, disciplinary referrals, or unfounded crimes within the applicable reporting categories and geography.

2025 Review Note

A theft report received from local law enforcement was reviewed for Clery classification. Ordinary larceny-theft is not a primary Clery criminal offense. It is reportable in the hate-crime section only when there is evidence that the offense was motivated by a qualifying bias. Motor vehicle theft is a separate Clery-reportable offense. The reviewed theft did not meet a reportable Clery category and is therefore not included in the statistical totals below.

Reporting a Crime or Emergency

In an emergency or for a crime in progress, call 911. Students, employees, visitors and witnesses may also report incidents to ASPIRA City College at 215-455-2300 or to an appropriate Campus Security Authority. Reports are reviewed for safety response, institutional action, Clery classification, timely warning or emergency notification obligations, and inclusion in required statistics when applicable.
